One, two, three

A tragedy that's built on destiny
It left you with everything
But blood from the knife
That I cut your heart out with

Now relax, close your eyes
What comes next is the surprise

This valentine is doomed
The smell of blood has filled this room
If I could do it all again
I would change most every single thing

I would let you

Kiss me, kill me
Your kiss is torture
But killing me would be too easy

Our tragedy seems to be killing everything
It sees like death itself

This valentine still looms
In the darkest hour, the killing moon
If I could do it all again

I would let you

Kiss me, kill me
Your kiss is torture
But killing me would be too easy

Kiss me
(You're all I'm wanting)
Kill me
(This feeling's haunting)
Your kiss is torture
But killing me would be too easy
Killing me would be too easy

Your eyes unwind the tragedy of our lives
My eyes went blind, believe when I say
Hell burns bright when this night dies
Hell burns bright

Kiss me, kill me
Your kiss is torture
But killing me would be too easy

Kiss me
(You're all I'm wanting)
Kill me
(This feeling's haunting)
Your kiss is torture
But killing me would be too easy

Kiss me
(You're all I'm wanting)
Kill me
(This feeling's haunting)
Your kiss is torture
But killing me would be too easy
Killing me would be too easy

Too easy, too easy, too easy, too easy
