I'm waiting, I'm lonely, you faded, I'm jaded,  
Trying to hold onto the things that were once mine.  
There's too much time, wasting my time.

My mind goes blank  
I can't think  
of nothing but you,  
I've waited, I'm lonely, you faded, I'm jaded.  
There's too much time, wasting my time,

then it seems we're miles away, (miles away)  
when will I see you again?  
then it seems that I don't wanna stay, ( i don't wanna  
stay)  
When will I see you again?

And are you thinking  
about me,  
Or do you want to be free,  
Just tell me and I will let you go.  
There's too much time, wasting my time

then it seems we're miles away, (miles away)  
When will I see you again?  
then it seems that I don't wanna stay, (i don't wanna  
stay)  
When will I see you again?

There's too much time, (and all I know)  
I'm in a fucked state of mind ( I can't let go)  
There's too much time, (thats all I know)  
I'm in a fucked state of mind.

then it seems were miles away, (miles away)  
When will I see you again,  
then it seems that I don't wanna stay, (I don't wanna  
stay)  
When will I see you again.

When will I see you again. (2x)
