You can call me when you need me, I'll be right there
I'm gonna love you.
And no matter what you look like, where you're from,
'cause
I'm gonna love you.
Yeah, yeah, I'm gonna love you
Oh yeah, I'm gonna love you
Yeah, yeah, I'm gonaa love you.
Oh yeah, I'm gonna love you.

Give a kiss, give a hug,
There's no reason not to show love
With the beats stop crying
You can gain on me to fight it.
Lend a hand, help a friend
What's the reason? Tell me what we're fighting.
We could all be happy, we take it all for granted.

You can call me when you need me, I'll be right there
I'm gonna love you.
And no matter what you look like, where you're from,
'cause
I'm gonna love you.
Yeah, yeah, I'm gonna love you
Oh yeah, I'm gonna love you
Yeah, yeah, I'm gonaa love you.
Oh yeah, I'm gonna love you.

Pull yourself the babies, but white, yellow stuff
All of the maybe-s, hating and crazy
All of brother nigger was a low bush
You're so quick to push me right off the edge
Write my name in red, write me off this dead same old
dilemma
They deliver, we keep on simple patrol, forget about
the liver
I was born at the top of the world
Now I travel 'round the globe showing love to the world.
Who cares about the kids? They're on drugs
Young girls selling their bodies for love, see
We still got drown ass man in slavery.

God, please save us, make us all one, please.

You can call me when you need me, I'll be right there
I'm gonna love you.
And no matter what you look like, where you're from,
'cause
I'm gonna love you.
Yeah, yeah, I'm gonna love you
Oh yeah, I'm gonna love you
Yeah, yeah, I'm gonaa love you.
Oh yeah, I'm gonna love you.

Every single day I wake up I'm always ready and willing
Always focus on my ground and I hope you feel what
I'm feeling.
So much thoughts be on my mind going through a
process of building
And every moment I'm a sign, 'cause I'm doing this for
my children
See, the things I used to do, I was told to be self
destructive
Mommy beat me on the hands and the things I did was
productive
Well, I kept my every blessing, try to spread the love
equal
And leave my good example to always inspire people.

You can call me when you need me, I'll be right there
I'm gonna love you.
And no matter what you look like, where you're from,
'cause
I'm gonna love you.
Yeah, yeah, I'm gonna love you
Oh yeah, I'm gonna love you
Yeah, yeah, I'm gonaa love you.
Oh yeah, I'm gonna love you.
