Tiptoe through the window
By the window, that is where I'll be
Come tiptoe through the tulips with me

Oh, tiptoe from the garden
By the garden of the willow tree
And tiptoe through the tulips with me

Knee deep in flowers we'll stray
We'll keep the showers away
And if I kiss you in the garden, in the moonlight
Will you pardon me?
And tiptoe through the tulips with me

Maybe it's flowers you stray will be the showers of life
And when I kiss you in the garden in the moonlight
Will you pardon me and tiptoe through the tulips with
me
