Cloudy afternoon
That's the way I feel inside
I just wanna know i'm alive

Wind chill to the bone
But this road seems to go on
I know that I don't belong

Don't know where I am but this isn't home
Another empty room I feel so alone
Just wanna go home

I'll smile for you
Coz I know that's why you came
It feels like a silly game

Don't know where I am but this isn't home
Another empty room I feel so alone
One more city pass I wonder when i'll see

The place that has the heart of me
Just wanna be free

There's a call from home
Said the telephone
I can't wait to see you tonight

Don't know where I am but this isn't home
Another empty room I feel so alone

Don't know where I am but this isn't home
Another empty room I feel so alone
One more city pass I wonder when i'll see
The place that has the heart of me
the heart of me
Just wanna be free
