Dear Jenny,  
I know the miles have separated  
us,  
kept you far away from me  
and I'm sorry, because I know  
that you deserve so much  
more than I can give you  
so for now I'll try to write you  
everything I could not say  
you're the reason for the smile  
that sits on my face  
you're the reason  
I can be happy on the rainiest of  
days  
you make me want to be  
more then I had ever been  
before  
you make me so much more  
Dear Jenny,  
this is the second time that I  
have tried  
to tell you how I feel  
it seems my words keep falling  
short  
of what my heart is trying to let  
you know

so for now I'll try to write you  
everything I could not say  
you're the reason for the smile  
that sits on my face  
you're the reason  
I can be happy on the rainiest of  
days  
you make me want to be  
more then I had ever been  
before  
you make me so much more  
and ps, just incase I failed to tell  
you this before  
I love you  
and ps, just incase I failed to tell

you this before  
I love you  
you're the reason for the smile  
that sits on my face  
you're the reason i can be happy on the rainiest of days  
you make me want to be more than i had ever been  
before you make me so much more..
