What's the big deal about Garth Brooks  
What's he got that I ain't got  
Except the biggest country album in history  
And girls screamin' in the parking lot

My wife thinks Garth Brooks hung the moon  
Yeah she thinks Garth's number one  
And there's even husbands jealous at Garth Brooks  
over in Ireland.  
I look better in a hat than he does  
And I got a lot more hair  
I missed The Dance, Still Felt the Pain  
And I've never had an Answered Pray

I wrote a hundred songs about rodeos  
But my wife wouldn't listen to mine  
Now I'm singin' to Friends in a place so Low  
Garth Brooks couldn't even find.

Garth Brooks you better hope we never meet  
Or one of us is gonna get hurt  
Yeah you'll let go of that Longneck Bottle  
If I choke you with a Garth Brooks T-shirt

She has taken down our weddin' pictures  
And put a poster of you  
And if your name comes up again when she's sleepin'  
There's no tellin' what I'll do.

Yeah we went though this a few years ago  
When she was dreamin' about George Strait  
But now the name Garth Brooks are two words  
I have grown to hate

Brother you look like a cowboy airport controller  
With that ugly little microphone  
Why don't you quit tryin' to turn my wife away  
And leave my life alone.

I sick of, Garth Brooks  
I'm tired of hearin' about, Garth Brooks

I think I've had enough, Garth Brooks  
My wife is in love with, Garth Brooks

She wants to be Mrs., Garth Brooks  
I hope his records sells like, Garth Brooks
