U like the way i got u on the mat, sexy motherfucker
girl u hot damn

U like the way i got u on the mat, watch the way I put
your mind and body in trance

Give it to me don't be scare cause its going
down I see u girl sexy sexy you so nice around

What's your name, what's your
number once I lay u down

You gone drop it to the floor, baby drop it down

Come and love me give me love, when u hear this
sound

Feel the power of ma love come and _____ u now

You're a freak I can tell

U wanna freak me now

Don't be scare I don't bite

I'm go lay u down

Come on girl give me the go I wont leave u alone

I'm so ready to blow u hot girl god damn

Come on girl give me the go I wont leave u alone

I'm so ready to blow u hot girl god damn

Mooove

U hot girl god damn

U like that

U like the way I got u on the mat, sexy motherfucker
girl u hot damn

U like the way I got u on the mat, watch the way I put
your mind and body in trance (hey)

Come on girl give me the go I won't leave u
alone I'm so ready to blow u hot girl god
damn (ya)

Come on girl give me the go I won't leave u
alone I'm so ready to blow u hot girl god
damn

Mooove

U hot girl god damn

U like that

Now we under covers makin' rock'n'roll
Give it to me IÃ¢â‚¬â„¢m gone give it back girl seven
fold
Started of at silver, now U golden gold
The way u move around
IÃ¢â‚¬â„¢m all ready so (Move)
Get your scream loud
Keep on screaming louder (Mooove)
Feel the power of my love come and come and let u
now (rock rock)
Use a freak I know
I can tell u so (Mooove)
When u ready u can freak me let u next to show
