1-2, welcome to the la la land

It's not all about the money, not all about the fame  
Not all about the money money...  
It's not all about the money, not all about the fame  
Not all about the money money...

Baby girl let me haller at you  
Hop in a seat this car's faster  
But take a minute, let me explain  
You need somebody who ride when time change

Could you be the one to ride it shotgun  
I hope in my heart you're the right one  
See we've never been fake, we've been very thick  
Don't worry 'bout the stars with bright glare

You would get it girl but you ain't like that  
I see you're different, I like that  
See, the money and the cars don't mean a thing  
It ain't about the fame, it's still a game  
If you hold my baby, truly your man, just stick to the  
plan  
Gonna give you my last name, gonna show you I ain't  
playin'  
These girls be all over me but I know they ain't down for  
me  
I see my future with you girl, I see you brought on the  
world

Could you be the one to ride it shotgun  
I hope in my heart you're the right one  
See we've never been fake, we've been very thick  
Don't worry 'bout the stars with bright glare

Now she got a hold on me  
I've got a girl and I know damn well she loves me  
And she got control of me  
I've been down and I'm never gonna leave her lonely

It's not all about the money, not all about the fame  
Not all about the money money...

It's not all about the money, not all about the fame  
Not all about the money money...

It's not all about the money, not all about the fame  
See, I don't really get her, she really don't mean a thing  
I just need you by my side, don't you ever go away  
I'll do anything, I want you to stay

Oh-oh oh-oh  
Just stay  
Oh-oh oh-oh  
Just stay  
Oh-oh oh-oh  
Oh woh

I know you're used to flashy things and the high life  
But I'm not that type of girl that you can buy  
You gotta love me but you're not, not boy  
'Cause I've been true from the start, start boy

Na-na na-na-na thanks, can't put me in the net  
If would spend the time with me  
Ye-ye ye-ye-ye I'm the girl you need to meet  
I need you dedicated fully to me

She got a hold on me  
I've got a guy and I know damn well he loves me  
And she got control of me  
I've been down and I'm never gonna leave him lonely

Money money money money  
Money money money money  
Money money money money  
Money money money money  
Money money money money  
Money money money money  
Money money money money

It's not all about the money, not all about the fame  
Not all about the money money...  
It's not all about the money, not all about the fame  
Not all about the money money...

It's not all about the money, not all about the fame  
See, I don't really get her, she really don't mean a thing  
I just need you by my side, don't you ever go away  
I'll do anything, I want you to stay

Oh-oh oh-oh  
Just stay  
Oh-oh oh-oh

Just stay  
Oh-oh oh-oh  
Oh woh

Now she got a hold on me  
I've got a guy and I know damn well he loves me  
And she got control of me  
I've been down and I'm never gonna leave him lonely
