Hello, everybody!  
This is Kate Smith.

All by myself at twilight  
Watching the day depart  
And with the fading twilight  
Happiness fills my heart

When the moon comes over the mountain  
Every beam brings a dream, dear, of you

Once again we stroll 'neath the mountain  
Through that rose covered valley we knew

Each day is gray and dreary  
But the night is bright and cheery

When the moon comes over the mountain  
I'm alone with my memory  
Of you

-Humming-

Each day is gray and dreary  
But the night is bright and cheery

When the moon comes over the mountain  
I'm alone with my memory  
Of you.
