Skazhi, byla by ty so mnoj, esli b ne jeta mashina?
Esli by ni klipy i ne rekordnye prodazhi al'bomov?
Esli by ja byl ne Timati, a prosto Vasja
Zhil by s mamoj i uchilsja by v odinnadcatom klasse?
Esli b ja priehal na svidanie na metro
Esli b ja povjol tebja ne v restoran, a v bistro
Znaesh', sejchas so mnoj legko, no ved' bylo inache
Ponjat' naskol'ko ty moja - jeto glavnaja zadacha
Gospozha-udacha ulybnulas', i ja vstretil tebja
Ja ne zabudu tot den', kogda uvidel tebja
Ja prosheptal pro sebja "Malysh, ty budesh' so mnoj
Moej podrugoj, nevestoj, potom zhenoj"
Vse govorili postoj, tebe zhe nuzhen drugoj
Podumaj, jetot bad boy - on nastojawij playboy"
Ne ver' spletnjam, slushaj serdce i dushoj
Ved' ty zhe sijaesh' kogda ja rjedom s toboj

[Priпев:]

Kogda ty rjedom vremja zamiraet
Kogda ty rjedom verju ja volshebstvu
Kogda ty rjedom mne ne nado raja
Kogda ty rjedom lish' togda ja zhivu

Sliskom malo v mire slov, chtob skazat' o samom
glavnom
No vazhnee chem ljubov' ne najti nichego
V nereal'nom mire slov ja zhila sovsem nedavno
A teper' moj kazhdyj vdoh dlja tebja odnogo
V grudi gorit pozhar, i zhizni mne ne zhal'
Za to, chtob kazhdyj mig tonu v glazah tvoih

I v molitvah budu sheptat' lish' ob odnom
Chtoby tvoja doroga vseгда vela v moj dom
A dlja sebja nichego ne prosit'
Net schast'ja bol'she chem vozmozhnost' ljubit'
Podumaj sam i najdjosh' otvet
Ljublju ja tebja ili net

Malysh, daj ladoshku, prizhmi ejo poblizhe k serdce

Pochuvstvuj kak ono b'jotsja, ty slyshish' muzyka
l'jotsja?
I nam teper' uzhe s toboj ne ostanovit'sja
I kak zhe ugorazdilo menja tak vljubit'sja?
My budem v tance kruzhit'sja s nochi do utra
Sem' chasov - tebe uzhe davno domoj pora
Net, podozhdi sekundu, ne uhodi, postoj
Ostan'sja - ved' mne tak horosho s toboj

[English]

Tell me, would there be us, if not this machine?
If clips & not record sales of albums?
If I was not Timati, & simple vasja
Would live with mum & would study in the 11th class?
If I would arrive on appointment by the underground
If I would lead you not in restaurant, & in a bistro
You know, now with me its easy, but in fact it was
different
To understand how much you are mine is the main task
Madam-success has smiled, & I have met you
I shall not forget that day when I've seen you
I have whispered about myself "Kid, you will be with
me,
My girlfriend, the bride, then the wife"
All spoke postoj, another is necessary to you
Think, this bad boy - it present playboy
Do not trust gossips, listen heart & soul
In fact you sijaesh' when I near you

[Refrain:]

When you're beside, time fades.
When you're beside, I trust magic.
When you're beside, not necessary to me paradise.
When you're beside, only then I live.

It is not enough in the world of words to tell about the
most important
But it is more important than to not find love of
anything
In the unreal world of words I lived more recently
& now my each breath for you one
In a breast burns a fire, & to me it is not a pity to a life
For, that each instant to tone in opinion of yours

& in prays I shall whisper only about one
That your road always conducted in my house
& for itself to ask nothing
There is no happiness more than an opportunity to love
Think to yourself & you will find the answer

I love you or not.

Kid, give ladoshku, press it more close to heart
Feel as it b'jotsja, you hear music l'jotsja?
& to us already with you to not stop
& how has managed me so to fall in love?
We in dance shall be turned since night till the morning
7 hours - already for a long time home are time to you
No, wait second, do not leave, postoj
Remain - in fact to me so well with you.
