Eh eh eh
Baby, you're looking fire hot
I have you open all night like an iHop
I take you home baby let you keep me company
You gimme some of you, I give you some of me

You look good, baby must taste heavenly
I'm pretty sure that you got your own recipe
So pick it up, pick it up, yeah I like you
I just can't get enough I got to drive through

Cause it's me, you, you, me, me, you all night
Have it your, way, foreplay
Before I feed your appetite

Let me get my ticket baby, let me get in line
I can tell the way you like, baby, supersize
Hold on, you got yours, let me get mine
I aint leavin until they turn over the closed sign

Check it

Take my order cause your body like a
Carry out
Let me walk into your body until you hear me out
Turn me on, my baby dont you
Cut me out
Turn me on, my baby dont you
Cut me out
Take my order cause your body like a
Carry out
Let me walk into your body until it's lights out
Turn me on, my baby dont you
Cut me out
Turn me on, my baby dont you
Cut me out

Number one, I take two number threes
That's a whole lotta you and a side of me
Now is it full of myself to want you full of me
And if its room for dessert then I want a piece

Baby get my order right, no errors
Imma touch you on the right areas
I can feed you, you can feed me
Girl deliver that to me, come see me

Cause it's me, you, you, me, me, you all night
Have it your, way, foreplay
Before I feed you appetite
Do you like it well done, cause I do it well

Cause I'm well seasoned if you couldn't tell

Now let me walk into your body until you hear me out
And turn me on, my baby, dont you cut me out

Say
Take my order cause your body like a
Carry out
Let me walk into your body until you hear me out
Turn me on, my baby dont you
Cut me out
Turn me on, my baby dont you
Cut me out
Take my order cause your body like a
Carry out
Let me walk into your body until it's lights out
Turn me on, my baby dont you
Cut me out
Turn me on, my baby dont you
Cut me out

What's your name?
What's your number?
I'm glad I came
Can you take my order?

What's your name?
Girl, what's your number?
I'm glad I came
Can you take my order?

Come over here (what's your name?)
Come closer (what's your number?)
Over here (I'm glad I came)
A little closer (can you take my order?)
Come over here (what's your name?)
Come closer (what's your number?)
Over here (I'm glad I came)
A little closer (can you take my order?)

Take my order cause your body like a

Carry out
Let me walk into your body until you hear me out
Turn me on, my baby dont you
Cut me out
Turn me on, my baby dont you
Cut me out
Take my order cause your body like a
Carry out
Let me walk into your body until it's lights out
Turn me on, my baby dont you
Cut me out
Turn me on, my baby dont you
Cut me out [repeat]

Dont you cut me out!
