[Verse 1:]

Day & night
I toss & turn, I keep stressin' my mind mind
I look for peace, but see I don't attain
What I need for keeps this silly game we play... play
Now look at this
Madness, the magnet keeps attractin' me me
I try to run, but see I'm not that fast
I think I'm first but surely finish last... last.

[Chorus:]

Cause day & night
The lonely stoner seems to free his mind at night
He's all alone through the day & night
The lonely loner seems to free his mind at night, at at
at night
Day & night
The lonely stoner seems to free his mind at night
He's all alone, some things will never change
The lonely loner seems to free his mind at night, at at
at night.

[Verse 2:]

Hold the phone
The lonely stoner Mr. Solo Do-lo
He's on the move, can't seem to shake the shade
Within' his dreams he sees the life he made... made
The pain is deep
A silent sleeper, you won't hear a peep peep
The girl he wants don't seem to want him too
It seems the feelings that she had are through...
through.

[Chorus:]

Cause day & night
The lonely stoner seems to free his mind at night
He's all alone through the day & night
The lonely loner seems to free his mind at night, at at
at night
Day & night
The lonely stoner seems to free his mind at night

He's all alone, some things will never change
The lonely loner seems to free his mind at night, at at
at night.

[Verse 3:]

Slow mo'

When the tempo slows up and creates that new new
He seems alive, though he is feelin' blue
The sun is shinin' man he's super cool... cool
The lonely nights, they fade away he slips into his white
Nikes

He smokes a clip and then he's on the way

To free his mind in search ofâ€¦

To free his mind in search ofâ€¦

To free his mind in search ofâ€¦

[Chorus:]

Day & night

The lonely stoner seems to free his mind at night

He's all alone through the day & night

The lonely loner seems to free his mind at night, at at
at night

Day & night

The lonely stoner seems to free his mind at night

He's all alone, some things will never change

The lonely loner seems to free his mind at night, at at
at night.
