Right now, right now, right now, right now
Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now
Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now

Whine is the motherfucker, watch her booty pop up
Whine in this motherfucker, she ain't jamaican but she
faking...
Ass let me see... waist making good
These bitches hating on her, cause she the fbi
I ain't taking police, ass making noise when the jiggle
like... keys
... when you got a notice,... you compete her but a fine
chick hopeless
Is that of the rest of me, she let me give the best of me
To heard and sex... she now prefers substantially
Real nigger quotter, I think I can match it
Tougher than the fizz but she softer than a mattress

Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now
Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now

Opposite to a monster but you a eat the...
I'm guessing honey sierra because she got the goodies
Perfect package... call me crazy cause I go choo choo
all these choo choo donkeys
Party like marias, black and blue... she don't hit that
high know if I get up inside her
License stay invalid so you know that she... rider
I shaking on... she start to get my... higher

She in the fbi and she could make it climb
Because of killer looks will leave a player blind
She use a handcuffs record she don't play no games
She want my name off her tongue like... and
boomerang

Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now
Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now

I love a dark skin... with brown eyes
3 piece breast... like popeye
Sometime... so bad see with the...
Freaky scorpio and all the line... sexdrive
... melons, and she sweet like mango
Louie gucci prada she on shopping rainbow
Her beauty is megan fox, her body is... her mind is...
The booty is ok, go and hit it pop it girl I love the way
you dance
And baby you're so sexy you should go and clap your
hands
Shaking bent it over in a 3 point stance
Cause you hurting all these bitches and they need an...

Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now
Somebody better get her, fbi, she the finest bitch in the
way she act, right now
Way she act, right now, when she act, right now, when
she act, right now
