Baby let me come and scoop you in the Benz

We can chill and lay back while I drop my top baby if  
you want you can bring a friend

I get it poppin' off

Be glad you got involved

Girl if you play your position then all your problems  
solved

They show me love in every hood and every city I go

They say "Timbo you the best" and I say baby "I know"

Two-tone Maybach when I slide up in it when I go my  
ride is tinted

Gotta pull the shades back and tell her "Hello"

She wanna chill wit a nigga

We can smoke we can drink just keep it real wit a nigga

I got a plan shawty go getcha man shawty

Let me put it simple so you can understand shawty

cause

(Keri & Timbaland)
