What's somebody like you, doin in a place like this?
Say, did you come alone, or did you bring all your
friends?

Say, what's your name, what you drinking

I think I know what you're thinking

Baby what's your sign, tell me yours I'll tell you mine

Say, what's somebody like you doing in a place like
this?

(1, 2, 3, 4)

CHORUS:

I'll never be the same - if we ever meet again

Won't let you get away - said if we ever meet again

This free fall's, got me so

Kiss me all night don't ever let me go

I'll never be the same

If we ever meet again

Say if we ever meet again

Do you come here much? I swear I've seen your face
before (before, yeah)

Hope you don't see me blush, but I can't help but want
you more, more

Baby tell me what's your story

I ain't shy, don't you worry

I'm flirtin with my eyes, wanna leave with you tonight

So do you come here much, I gotta see your face some
more, some more

Cuz baby

CHORUS:

I'll never be the same - if we ever meet again

Won't let you get away - said if we ever meet again

This free fall's, got me so

Kiss me all night don't ever let me go

I'll never be the same

If we ever meet again

If we ever meet again

I'll have so much more to say (if we ever meet again)

If we ever meet again

I won't let you go away (said if we ever meet again)

If we ever ever meet again

I'll have so much more to say (say if we ever meet again)

If we ever ever meet again

I won't let you go away

CHORUS:

I'll never be the same - if we ever meet again

Won't let you get away - said if we ever meet again

This free fall's, got me so

Kiss me all night don't ever let me go

I'll never be the same

If we ever meet again

I'll never be the same - if we ever meet again

Won't let you get away - said if we ever meet again

This free fall's, got me so

Kiss me all night, don't ever let me go

I'll never be the same

If we ever meet again
