[Timbaland]

Oh! Cee-Lo...you ready to rock with Timbaland?

Oh! Let's go boy! ATL, talk to 'em Lo...

[Verse 1 - Cee-Lo]

How can I possibly, be inconspicuous

When my flow is fuckin' ridiculous?

That's rite an accent, see Im from the south

Where some of the most beautiful things come out my mouth

And Im on stage just as soon as I come out the house

So I might as well give them somethin' to talk about

I bust a rap to make a blind man believe in the boogey

And if you came here to move the Cee then the boogey on

[Chorus - Tim (Cee)]

When you want me to come (Holla)

When you want me to come (Call me!)

When you want me to come (I'll be around)

(When you want me to come, yeah, woo! Holla)

When you want me to come (Holla)

When you want me to come (Call me!)

When you want me to come (I'll be around)

[Verse 2 - Timbaland]

Here comes Timbaland, Im also from the south

I like them girls with big butts, and golds in they mouth

I come from the back road, and a dirty house

If you leave the door open, mama'll cuss ya' out

I got a big dog in the front yard

Best buh-lieve that bitch bite hard

I gotta grand daddy who think he Joe Clark

And that's how we do it 'round these parts

[Chorus]

[Verse 3 - Cee-Lo]

You see, I do what they wont do and cant do

But gon' wish they did when Im done

And with a smile on my face, give a joke for second place after I won

Shake his hand, firm like a man but talk to him like a
son
And this way I can still be a little somethin' to everyone
And with that elegance, I rock climb to reach hints from
God of relevance
Poise, position, and the plush of a revalance
And Im outstandin', outpsoken, which is the
unequivocal evidence
It is then instant vintage as it has been, ever since, ah!

[Chorus x2]

Uuhh Ooh! Oh no! Uh oh! Sweet Sugar Lo and Timbo
(Uh oh!)
Oh No, uh oh, them niggaz bouta get some mo' dough
(Uh oh!)
Uuhh Ooh! Oh no! Uh oh! Sweet Sugar Lo and Timbo
(Tim-Bo!)
Oh No, uh oh, them niggaz bouta get some mo' dough
(Uh oh!)
Uuhh Ooh! Oh no! Uh oh! Sweet Sugar Lo and Timbo
(Tim-bo!)
Oh No, uh oh, them niggaz bouta get some mo' dough
(Uh oh!)
Uuhh Ooh! Oh no! Uh oh! Sweet Sugar Lo and Timbo
(Tim-Bo!)
Oh No, uh oh, them niggaz bouta get some mo' dough
(We Out...)
