[Intro]

Put your hands up
Everybody put your hands up
Put your hands up

[1st Verse]

The world's so cold and my own damn hart is making
fun of me
Don't need a miracle to see tomorrow's right in front of
me
I'm on my own, and nobody knows who we can come to
be
So come allong, you never know the weak is set free

[Brigde and Chorus]

Now close my eyes, and I run to you aah
Can't close my hart, cuz I know the truth aah
Cuz I'm a believer
We need a believer
Know I gotta believe aah
Any believe aah
Cuz im a believer

(2x) I'm a believer

(2x) we need a believer

[2nd Verse]

Is there one so bold, I would raise a hand and join a
good fight
There's a legend told, someone's gonna show us what
it looks like
Cuz if you are there, you never know who it could be

You could come or hold and lead us to love that we
believe

[Brigde and Chorus]

Then I close my eyes and I run to you
Can't close my hart cuz I know the truth
Cuz I'm a believer
We need a believer
Know I gotta believe aah

Any believe aah
Cuz im a believer

(2x) I'm a believer
(2x) we need a believer

[Chorus]
Cuz I'm a believer
We need a believer
Know I gotta believe aah
Any believe aah
Cuz im a believer

(2x) I'm a believer
(2x) we need a believer
