'Scuse me. Do you mind if I sit down?  
Is it okay if I sit down here?  
No? Are you alone?  
(Come on, man!)

Lady! (Uh-huh)  
Well, I'm back!  
You gotta want me now. Outside. (Uh-huh)

I see your luck is changing. Is it nice?  
You got your headlights out  
In the dark.

Well don't be crashin' now  
Or pull a fast one now  
So watch your traction now  
I gotta know right now

Because I'm in love  
I'm in love  
With you  
I'm in love, I'm in love  
With you, yeah

I'm in love, I'm in love  
With you  
I'm in love, I'm in love  
With you

Git it, git it, git it, girl! Hey!  
Git it, git it, git it, girl! Hey!  
Come on to me!

Lady! (Uh-huh)  
Before you come back  
I say, hey baby  
You might want to think about that

'Scuse me -- not your lane (Uh-huh)  
Git your [??] in check  
You a warning (Yeah)  
I want to be in your tracks

So don't be laughing now  
Or pull a fast one now (Go real slow)  
So watch your traction now (Off the road)  
I got to know right now

Because I'm in love  
I'm in love with you.  
I'm in love, I'm in love  
With you.  
Yeah, I'm in love, I'm in love  
With you.  
(Hey, hey, hey)  
I'm in love, I'm in love  
With you.

Git it, git it, git it, girl!  
Hey!  
Git it, git it, git it, girl!  
Hey!  
(Come on, now!)

When I look in your face  
It's when I lose control  
What I see in your eyes  
Is what is burning my soul

And I know that it's true  
'Cause when you're saying my name  
Then all I want would be to blow  
Because I'm saying it again

I'm in love I'm in love with you.  
I'm in love I'm in love with you.  
(Give it all you have) Yeah

I'm in love I'm in love with you.  
You drive me crazy  
I'm in love I'm in love with you.

Because I'm in love I'm in love with you.  
I can't take it.  
I'm in love I'm in love with you.  
You know, yeah.  
I'm in love I'm in love with you.  
You drive me crazy  
I'm in love I'm in love with you.  
I'm in love  
Git it, git it, git it, girl!

Ah, hey!

Git it, git it, git it, girl! Hey!  
Come on now!
