We don't even conversate, we don't even act no more
We used to go out all day, but
our kids are the number one
chore
Where did the loving go, we
really need to ?this far, yeah, eh
I swear this feels like a game
and I ? got the score And she say
Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow
Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow
Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow
I reflected back home myself,
I think I ?m abusing this all I think I really need some
help
can you get counseling for
Baby I get it, I did, the
problem's ? come talk Now that ?there ?s a problem, I
hold my head up so
And she say
Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow .com Mentally I ?m gone, we believe there ?s
no tomorrow, tomorrow
Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow
I hope everyday bears out

fine
I hope the sunshine ?s up at bay
I hope everyday bears out
fine
I hope the sunshine ?s up at bay
I hope everyday bears out
fine
I hope the sunshine ?s up at bay
I hope everyday bears out
fine
Still keep saying
Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow

Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow
I'm gone, we believe there ?s no tomorrow, tomorrow
Mentally I ?m gone, we believe there ?s no tomorrow,
tomorrow.
