Sitting in the bucket, like a Champagne

You got mad blunted, Then Mag became the Hunted

[Third Verse: Sebastian + (Timbaland)]

Sebastian be quicker  
More proof than my daddy's old E liquor  
I like'em Trina size, but if they ever be bigger  
I put the sheets to the ground  
Act bigger, make the shake stick her, so they can at  
least figure  
Then we hit the slopes  
Same amount of snow, that Johnny would it nose  
No chain and ropes, I don't chestize my hoes  
Just release the low, and put little me's on clothes  
But still though I got (love for you)  
Single mothers I got (love for you)  
Fuck niggaz who hatin I got (love for you)  
Middle fingers I keep'em (up for you)  
Couple bottles with models  
That would swallow you whole  
If I vanish tommorrow, niggaz will follow the flow  
See a hundred like towers, watch me pull in the load  
When I come to ya clubs, niggaz will be stare at the  
doors

[Chorus]

[Bridge]

[Chorus]
