"Not My Happiness"

chorus:

my happiness don't belong to me, it belongs to others!
my happiness don't belong to me, it belongs to others!
will it make me happy to give it away, hey, hey, hey!
will it make me happy to give it away, hey, hey, hey!

jesus gave his life for us, so i can't i?
my bone had not a savage one, my heart multiplies,
my character speaks for itself, does it have to rot?
i'mma a geek doing what i'm doing,
for the geek's made happy itself!
oh, oh!

chorus:

my happiness don't belong to me, it belongs to others!
my happiness don't belong to me, it belongs to others!
will it make me happy to give it away, hey, hey, hey!

will it make me happy to give it away, hey, hey, hey!

if i stay around justâ€¦!
i don't worship well anything,
it means nothing when you're down.
i try to keep up this...
while i keep my burdens inside!
i'mma keep doing what i'm doing
cause it keeps me satisfied!

chorus:

my happiness don't belong to me, it belongs to others!
my happiness don't belong to me, it belongs to others!
will it make me happy to give it away, hey, hey, hey!
will it make me happy to give it away, hey, hey, hey!

oh, oh, oh, my happiness don't belong to me!
