This sh-t was all I knew,  
you and me only,  
and I did it all for you,  
still you were lonely,  
we coulda worked it out,  
uhh, but i guess things change,  
its funny how someone else's success brings pain,  
when ya no longer involved that person has it all,  
and you just stuck standing there,  
But, I'm gonna need you to say something baby,  
say something baby,  
say something baby,  
I'm gonna need you to say something baby,  
say something baby,  
say something baby,

[Timbaland]

Yeah,  
it really suck but ever since I've been long gone,  
I traded in my seniorita for a microphone,  
I hate the way you fell apart girl, its sad to see,  
your life is good but me and you we a  
catastrophe,  
if I was unsuccessful would you be satisfied,  
I need a paramedic girl, I'm feeling paralysed,  
if I could choose, you will always be a friend to  
me,  
the more money I made you acting like my  
enemy,  
its crazy, I can't help it if your feelins changed,  
thought the pressure would turn you into my  
diamond babe,  
how can something so familiar be so strange,  
closest friends get estranged when your status  
change,  
ahh, is it my mistake, think that where I am and  
where you at,  
and my home boy Larry Lock is the only one that  
had my back,  
you were the perfect girl, and now it seems we

don't match,  
is it the money, want me to give it back?

[Chorus]

[Drake]

Uhh, i am the topic of conversation, this a  
celebration,  
lets toast to the fact that I moved out my  
momma basement,  
to a condo downtown because its all about  
location,  
I sit and drink wine and watch californication of  
life,  
you shoulda been here to kick it with me.  
we coulda split this whole thing up 50/50,  
but now i'm at the 40/40 getting b-tches tipsy,  
killing sh-t the ever so talented Mr Ripley,  
how I go from being the man that you argue  
with,  
to me and Dwayne Carter putting out the hardest  
sh-t,  
I should wanna go back to the one I started with,  
but I'm addicted to this life its gon be hard to  
quit,  
yeah, just ask me how things are coming along,  
you can tell me that you never heard none of my  
songs,  
long as you end up saying one day you plan to  
listen,  
cause whats a star when its most important fan is  
missing?
