I got a plan for you and I
Let's journey across the Venetian skies.
Can i have some of your cookies, can I have some of
your pie
May I cut the first slice, so won't you

Scream, at the top of your lungs, if your body's feeling
right
Scream, at the top of your lungs, if your body's feeling
right
Scream, at the top of your lungs, if your body's feeling
right
Scream, at the top of your lungs, if your body's feeling
right

Intoxicated with desire,
And you're the designated driver, yeah
I'm not afraid, 'cause I'm a rider, yeah
Ain't nothing wrong, with feeling right, so won't you

Scream, at the top of your lungs, if your body's feeling
right (Scream)
Scream, at the top of your lungs, if your body's feeling
right (Oh)
Scream, at the top of your lungs, if your body's feeling
right (You make me scream)
Scream, at the top of your lungs, if your body's feeling
right

I love it babe, got me here doing things I don't ever do
Can't hold me down, that's why I'm here making sure
things are up for you (get it)
Like a getaway , when the lights go off, you turn on
I love yo place, cause I can hear the echo when you
make me ahh

Scream, at the top of your lungs, if your body's feeling
right (If your feeling good)
Scream, at the top of your lungs, if your body's feeling
right (Let me know)
Scream, at the top of your lungs, if your body's feeling
right (Scream)

Scream, at the top of your lungs, if your body's feeling
right (Show me it feels good)

In the car, at the party
Got his hands, On your body
Don't fight it, Ooh
If you like it, Ooh

In your room, on the rooftop
Feels good, don't stop
Don't fight it, Ooh (Don't you fight it)
If you like it, Ooh (Why don't you)

Scream, at the top of your lungs, if your body's feeling
right (Scream)
Scream, at the top of your lungs, if your body's feeling
right (Scream)
Scream, at the top of your lungs, if your body's feeling
right ()
Scream, at the top of your lungs, if your body's feeling
right (Uh, Sing it)

Uh if you love me girl
Why don't you
If it feels good why don't you (sing it)

Uh, if you love me girl, why don't you
Cuz when it feels good it (don't fight it)
If you like it

Yeah,
Don't fight it, ooh
Yeah,
If you like it, ooh

Break

Don't you like that
It feels so good, don't it?
Grab my hand baby
Let's take a walk on the beach, clear our minds

Hold your screaming here
Don't you like that beat
You do?
What else you like?
Hmm

I can accommodate that
Oh you like my swagger?
You like how I changed it up?

I like it too baby
But for now,

I think the beat is going a little bit too long

Oh you like it this long? Hmm
That means you like to make love long?
Yeah, I feel that
Ooh.

I like how you shaking your hips to it
It's about to end baby, but don't you stop
Keep it going
Keep it going
Keep it going
Bring it over here
Sit on my lap
Kiss me
No no no, right here
Yeah
Ohh i like that
Ooh i like that
Ooh

Let me stop bullshitting, haha.
