Aight

Slow down

That's what everybody be telling me

But I be telling them this is hot

Slow down

If you be hating on me because I be making money you

Dough down

Fuck if you can't understand what i'm saying on this
record you be playing

Slow down

I ain't 'bout to slow down I ain't 'bout to slow down nah

Fire hoe i'ma show up with the front V

On the Charlie Sheen only got 1 speed

That's go fast forward rolling good weed

In the crib and she sweating out a good weave

She know what i'm talking about

Cause she know how them gangstas getting down in
the south

To get the pizzazz up in the VIP section

Now she wanna do what i'm doing up in the session

In the studio she wanna make music

But she already be knowing i'm really gonna abuse it

And pro'ly make her stupid from all the knob that she
be giving

Plus she be knowing the way the shit is really fitting

And I don't listen what she saying

All she gotta know is i'm fucking and I ain't never been

Cause everything I be getting is straight

Cause I be known for being on TV

Yeah

Slow down

That's what everybody be telling me

But I be telling them this is hot

Slow down

Friday night high as a kite
I'm alright fresh outta sight
Kinda like satellite dishes
Hating on me and you be swimming with the fishes
Hoes written wishes kinda like genies
On South Beach all i'm seeing is bikinis
Bitches wanna see me and fuck with Lil Stevie
They like is you the little dude that I be seeing on the
TV

I'm like hell yeah then I put it in the air
They come in to the telly just to fuck with a player
All because of the name they fucking 'round with the
fame
Next thing you know the bitches are giving be brain
Talking 'bout slow down i'ma speed up
Sitting on the couch and I put my feet up
Got a bad Spanish bitch rolling weed up
And I don't give a fuck and we stay G'ed up like what

Slow down
That's what everybody be telling me
But I be telling them this is hot
Slow down
If you be hating on me because I be making money you
better get your
Dough down
Fuck if you can't understand what i'm saying on this
record you be playing
Slow down
I ain't 'bout to slow down I ain't 'bout to slow down nah

I'm coming with the beat
And i've got another freak
She riding in the jeep
She already know that she pro'ly be on the creep
I'ma really do my thang
And I got the beat with the bang bang
You can hear the caddy swing swang
And i'm coming through sounding strange
Aw say wut
Y'all already know when i'm coming through in the
truck
And I turn the beat up
Aw say wut

Let us switch up the tempo
Y'all already know who it is young Timbo
Got the 808 and the symbol
'bout to switch it and do it...

Slow down
That's what everybody be telling me
But I be telling them this is hot
Slow down
If you be hating on me because I be making money you
better get your
Dough down

record you be playing
