I ain't got no money
I ain't got no car to take you on a date (aha)
I can't even buy you flowers
But together we could be the perfect soulmates (aha)
Talk to me girl

(Oh) Baby, it's alright now, you ain't gotta flaunt for me
If we go dutch you can still touch my love, it's free
We can work without the perks just you and me
thug it out 'til we get it right

Baby if you strip, you can get a tip
'Cause I like you just the way you are
I'm Scandinavian, everything is what it is
I don't need the G's or the car keys
Boy I like you just the way you are
I'm Scandinavian everything is free

I ain't got no Visa
I ain't got no Red American Express (aha)
We can't go nowhere exotic
It don't matter 'cause I'm the one that loves you best
(aha)
Talk to me girl

(Oh) Baby, it's alright now, you ain't gotta flaunt for me
If we go dutch you can still touch my love, it's free
We can work without the perks just you and me
thug it out 'til we get it right

Baby if you strip, you can get a tip
'Cause I like you just the way you are
I'm Scandinavian, everything is what it is
I don't need the G's or the car keys
Boy I like you just the way you are
I'm Scandinavian everything is what it is
Baby if you strip, you can get a tip

'Cause I like you just the way you are
I'm Scandinavian everything is what it is
I don't need the G's or the car keys
Boy I like you just the way you are

I'm Scandinavian everything is free

Baby girl, I don't got a huge ol' house I rent a room in a house

Listen baby girl, I ain't got a motorboat but I can float ya boat

So listen baby girl (og) once you get a dose of D.O.E. you gon' want some mo'

So listen baby girl (og) yeah

And we will do it again when

We'll play it again then

And you will hear it again, and

Again and again and

thug it out ?till we get it right

Nothing but the Scandinavian way I are

(I'm about to strip and I'm well equipped

Can you handle me the way I are?)

Nothing but the Scandinavian way I are

(I'm about to strip and I'm well equipped

Can you handle me the way I are?)

'Cause I like you just the way you are)

Love me the Scandinavian way I are

(I'm about to strip and I'm well equipped

Can you handle me the way I are?)

It's properly, the Scandinavian way I are

(I'm about to strip and I'm well equipped

Can you handle me the way I are?)

I'm Scandinavian everything is, what it is (og) x 3
