I was livin in a sad time at home  
I was hopin people would just leave me alone  
I dont understand why everyone cares so much  
They are all back in forth in a rush

Why can't I stay underground? (underground)  
That way when they keep lookin I'll never be found  
Why can't they just go away?  
They keep comin by everyday  
Why can't I stay underground? (underground)

I hope no one can find me in this empty place  
But trust me, somehow they will find a way  
They keep taking things I say  
and twisting them to go the wrong way

Why can't I stay underground? (underground)  
That way when they keep lookin I'll never be found  
Why can't they just go away?  
They keep comin by everyday  
Why can't I stay underground? (underground)

leave me alone  
leave me alone  
leave me alone  
just wanna be.....  
UNDERGROUND!!!
