Pulling on my chain you're tellin' me come and take me
up with this thang and go,
Promise you would stop, voices in your wallet keep
callin' you to say come on.

I say hey little mama, go make you some profit girl it's
up to you which kind you want.

I said walk that mama, I'm going the other way can't
fade on the side you want.

uh-oh

Say, tell me what side you're on little mama.
Say, tell me what side you're on little mama.
Say, tell me what side you're on little mama.
Say, tell me what side you're on little mama.

Little mama, gotta tell me what side you on,
Little mama shawty tell me what side you on.

Girl I'm trying to explain, this is not a good thang don't
get on a side with me.

I've got the masses of the body, let's go have a party
all you gotta do is slide with me. But we gotta make it
shhh, confidential like what you like, I can do it all for
you.

If you wanna get with me strippin and leave this tippin
and I ain't gotta call for you.

Otherwise it's gonna be like seen, girl why you're
outside alone.

Cause you'd rather drop your top and I dun drop my
top, I dun took one of your girlfriends home.

She wanna leave leave leave yeah, she see that I'm
livin' this way,

So if you wanna leave, leave leave yeah, then you got a
decision to make.

And girl you make me wanna

Say, tell what side you're on little mama.
Say, tell what side you're on little mama.
Say, tell what side you're on little mama.
Say, tell what side you're on little mama.

Say, tell what side you're on little mama.
Say, tell what side you're on little mama.
Say, tell what side you're on little mama.
Say, tell what side you're on little mama.
