I get over heels for someone, I  
That I really can't deal with, deal with  
I want to block her out my mind  
But I really can't do it, do it

I tell myself this the last time  
I'ma let her do this to me  
Whenever we do spend time  
I realize that I can't get enough of you

Wipe that smile off your fucking face, let me say to you  
Wipe that smile off your face, let me say to you  
Wipe that smile off your fucking face, let me say to you  
Wipe that smile off your face

To be despised, to be loved  
To be dreamt of, to be sought  
To be inside, I don't care  
Right in the middle, I'm right in the middle

To be despised, to be loved  
To be dreamt of, to be sought  
To be inside, I don't care  
Be my unholy, my one and my lonely

If I could start with words 'cause it's the only hope of  
feasting I got left  
And everything I love about you is a mess  
Smash the mirror and break the palm in his hand  
I want to be better than I am

Let me say to you  
Wipe that smile off your fucking face, let me say to you  
Wipe that smile off your face, let me say to you  
Wipe that smile off your fucking face, let me say to you  
Wipe that smile off your face

To be despised, to be loved  
To be dreamt of, to be sought  
To be inside, I don't care  
Right in the middle, I'm right in the middle

To be despised, to be loved  
To be dreamt of, to be sought  
To be inside, I don't care  
Be my unholy, my one and my lonely

Girl, just look what you've done  
How could you do this to me?  
I gotta put my foot down  
I can't let you do this to me

I can't forget those good ole times  
And all the things you've been doing to me  
I wanna hit that one more time  
I mean love, what you're doing to me

I'ma say it loud, right here  
Let's fuck in this crowd  
Why we arguing  
I thought me and you were supposed to be friends

Let's chill for minute  
Better yet we need a heal for a minute  
Baby, put down the knife  
Sometime I wanna save ya life, why don't you

To be despised, to be loved  
To be dreamt of, to be sought  
To be inside, I don't care  
Right in the middle, I'm right in the middle

To be despised, to be loved  
To be dreamt of, to be sought  
To be inside, I don't care  
Be my unholy, my one and my lonely

We ain't got no fucking band  
We ain't got no stinking the fucking microphone setter  
Timbaland, you tuned in, son of a bitch  
Let's get this fuck out of my house now  
Before I get to my and I can't turn back  
Hey, didn't I say you to fuck out  
Get the fuck out
