In the attic, lights
Voices scream, nothing seems
Real's a dream

Leaving the things that are real behind
Leaving the things that you love from mind
All of the things that you learned from fears
Nothing is left for the years, voices scream
Nothing seems real's a dream

Toys toys toys in the attic
Toys toys toys in the attic
Toys toys toys in the attic
Toys toys toys

In the attic, lights
Voices scream, nothing seems
Real's a dream

Leaving the things that are real behind
Leaving the things that you love from mind
All of the things that you learned from fears
Nothing is left for the years, voices scream
Nothing seems real's a dream

Toys toys toys in the attic
Toys toys toys in the attic
Toys toys toys in the attic.....
