Clap your hands everybody, if you got, what it takes
I'm Timbo and I want you to know that these are da
breaks!

Uh-huh, uh-huh, hey, get your back up off the wall
Uh-huh, uh-huh, hey, get your back up off the wall
Uh-huh, uh-huh, hey, get your back up off the wall
Uh-huh, uh-huh, let me tell you

You got me feenin' for your body parts
You said you're lonely and you need it bad
Come and see me when you wanna start
And where we going you don't have to ask

Come to my cipher, put that blunt in the air
Let me seduce you, let me play in your hair
I see that you're hyper, let's take it upstairs
Hey girl, let's have a meeting, meeting

I know a quiet place where we can talk
Girl, relax and let me do my thang
Baby, I don't wanna break yo' heart
I just wanna make you say my name

Come to my cipher, put that blunt in the air
Let me seduce you, let me play in your hair
I see that you're hyper, let's take it upstairs
Hey girl, let's have a meeting, meeting

I'ma check, make her heart break her man fo' sho'
In the back in my mind girl you in for dough
Even though you a stunt, I'm a fan of chess
Role-play, you the best, you supply the sess

Yes, I'm a fiend of your hole
One hit of you and I lose control
I look through your eyes, I'ma see your soul
Bank roll and a hole through the cars and go

Come to my cipher, put that blunt in the air
Let me seduce you, let me play in your hair
I see that you're hyper, let's take it upstairs

Hey girl, let's have a meeting, meeting

Uh-huh, uh-huh, get your back up off the wall

Uh-huh, uh-huh, hey, get your back up off the wall

Uh-huh, uh-huh, get your back up off the wall

Uh-huh, uh-huh, meeting's adjourned

The meeting just begun, watch this
