Vers 1:

Many ways lead to an aim  
The matter is, what's got to be  
Your mind can't play along their rules  
You got an own opinion  
Why don't you scream out loud  
No longer wanna be their fools  
NoÂ...Â...Â.... !

Chor: Spirit of the time

Manipulated Medias  
Look they are all around  
But we aint puppets they will see

Bridge 1:

Can't you feel it  
It's the time to break  
Out of this cage

Chorus:

Demons rising  
Paralyzing  
Trying to get a hold of you

Choir: Demons of Insanity

Bear your fears and use your force  
To escape of this human zoo  
Don't get sacrificed, hunt them down, down, down,  
down

Vers 2:

Whatever they will try to break you  
Don't let them get you down  
Making you stronger deep inside

Bridge:

Can't you feel it  
It's the time to break  
Out of this cage

Chorus:

Demons rising  
Paralyzing  
Trying to get hold of you

Choir: Demons of Insanity

Bear your fears and use your force  
To escape of this human zoo  
Don't get sacrificed, hunt them down

(Solo)

(Chorus)
