I See The Past To A Time When I Was Younger
United Strong Without Doubt
Their Dreams Weakened
But My Mind Still Burns With Hunger
Stand Alone And Wonder For I Am Seeking

Uhhh, Painfull Sights Invade My Brain
Shallow Bloody Rain

They Are Not Better Than Me
We'll Just Wait And See
After All, I Will Find My Way
I Don't See It Their Way
Heavy Price To Pay
After All You're Selfinflicted
Dream Of Doom

You Were The Witness
To My Silent Futile Struggle
Stoic Sentinels To My Delusion
You'll Pay The Price
For Your Shallow Course Of Action
To Disproof The Revolution

Uhhh, Liquid Steel Will Be The Sign
The Holy Power Is Mine
They Are Not Better Than Me
We'll Just Wait And See
After All, I Will Find My Way
I Don't See It Their Way
Heavy Price To Pay
After All You're Selfinflicted
Dream Of Doom

They Are Not Better Than Me
We'll Just Wait And See
After All, I Will Find My Way

Heavy Price To Pay
After All You're Selfinflicted
Dream Of Doom.
