Out in the cold
Feels like it rips out my heart
Seems like Iâ€™m fading
Slowly tears me apart
What am I doing
Is this real or a dream
Closing my eyes
Follow the visions in me

Oh, there is a world I know
Just canâ€™t get out

Doesnâ€™t matter what it takes to
Doesnâ€™t matter what it makes to
Break out one time
Doesnâ€™t matter if it changes you
If it really rearranges you
Follow the sign

Puppets on strings
Weâ€™re caught, itâ€™s always the same
Just slowly dyinâ€™
Prisoned, part of the game
Where is the guide
That leads me into the light
Enter the vision
Leave the darkness behind

Oh, I see the world I know
Just canâ€™t get out

Doesnâ€™t matter what it takes to...

(Solo)

Doesnâ€™t matter what it takes to...

Doesnâ€™t matter what it takes to
Doesnâ€™t matter what it makes to
Hell yeah
