[Finale]

Warp through the past
Stand here at last
Historical moment,
survived all the quests
Spiritual knowledge
We received
Now there is nothing
That we can't achieve

So all Metalians rule the world
Until the end of time,
so come with me, so come with me

Strongest feeling ever felt,
together we'll raise the sign
and come me, so come with me

Still not at the end
The vision was meant
To carry us further
To astral transcend
Dimensions unknown
still need to be found
So we'll united forging
THIS sound.

So all Metalians rule the world
Until the end of time,
so come with me, so come with me

So all Metalians rule the world
Until the end of time,
so come with me, so come with me

[Story:]

Now standing at what seems as the end,
still far away, worlds and souls between time
and space need to be explored and conquered !

So come with US ...
