Confusion Is Getting Clearer
The Senses Are Numb
My Eyes Hurting From The Bright Shine
Reflecting The Sun
The Silhouette Comes Into Focus
There Stands The Flask
This Shiny Chrome Liquid Helps
Complete The Task

(Him) When I Take It What Will Happen
(Goddess) It Will Set You Free
(Him) Will It Give Me Certain Power
(Goddess) Fearless Immortality

(Gods) You Will Be Ready For The Fight
(Him) Here Me Crying
(Gods) You Got To Fight All Through The Night
(Him) I'm Not Dying

Chosen By Higher Forces
Don't Know What To Do
Power From Unknown Sources
Make My Dream Come True

The Moment Is Getting Closer
I'm Feeling The Strength
The Other Will Be The Losers
Beware My Revenge

(Goddess) Drink The Liquid Called Metanium

(Him) It Will Set Me Free
(Goddess) It Will Give You Certain Power
(Him) Fearless Immortality

(Gods) You Will Be Ready For The Fight
(Him) Here Me Crying
(Gods) You Got To Fight All Through The Night
(Him) I'm Not Dying
(Gods) You Will Be Ready For The Fight
(Him) Here Me Crying
(Gods) You Got To Fight All Through The Night

(Him) I'm Not Dying
