Vers 1:

Human Species, special kind
The world has never seen before
Only ourselves, on our mind
We will kill our own mankind

Bridge 1:

Rest in peace, no other chance
Will be given to us in this lifetime

Chorus:

Watch out for the heavens signs
Almighty and divine
Listen to the shadows fall
Erasing us all

Vers 2:

No other is like us, there is no doubt
No one could create
Could create what we have done

Bridge 2:

Hate and greed will force its way
To poison our minds, we won't stay

Chorus:

Watch out for the heavens signs
Almighty and divine
Listen to the shadows fall
Erasing us all

(Solo)

Speech:

There is no existing creature on this planet

which will annihilate themselves
except the human race.
Armageddon is steaming like a train down the track
straight into mankind's face !
into mankind's face !
into mankind's face !

(Chorus 2 x)

Speech:

Armageddon, straight into mankind's face !
