Vers 1:

Human race is about to invent themselves
Manipulating the genes of the Genesis

Bridge:

They make us believe
They are our saviours
Meant to receive
Countless betrayers

Chorus:

Time
Feel the power of the time,
Sign
Learn the lesson, see the sign
Time
Feel the power of the time,
Mine
Hear the message, fate is mine

DON'T YOU GIVE UP !

Vers 2:

Don't fear you're running against all the odds again
You see you're crumbling, avenging the swords

Bridge:

They make us believe
They are our saviours
Meant to receive
Countless betrayers

Chorus:

Time
Feel the power of the time,
Sign

Learn the lesson, see the sign
Time
Feel the power of the time,
Mine
Hear the message, fate is mine

DON'T YOU GIVE UP !

(Solo)
The power of time, our earth in pain
The power of time, we'll go insane

(2 x Chorus)
