[Theme: Rasputin / Russia]

While he was alive
His might seemed to shelter
For those people who had a lot to give
And they believed
Nobody could stop
Him

Aleksandra was desperate
So she sent a prayer
To save her son
It seemed to be heard
By the strong healing one

They believed
Rasputin's power's alive
Like a dream
His unique force let them survive

Miracle
Healing the holy empire
Raised by god or mysterious ?
Heaven sent
The answer to their fervent prayers
Save the cursed by speaking the words

Political influence, his might even grew
Increase Control

Addicted and lost
Selling their souls

Disbelief
Prince Felix invited the might
Just to beat
The power he could not define

[Story:]

Even today Rasputin is a shadowy
and mysterious character.

Some believe that he was a miracle worker, while others say he just wanted to manipulate the Imperial Family. His mysterious ability to heal the diseased convinced people that he must have been sent by God.
