The Picture's Gettin Clearer Now
Pieces Start To Fall In Place
I Need To Know The Possibility
Is It More Than Just A Vision
Can I Trust My Intuition
Now My Dreams Become Reality

Revelation - It Has Come To Me
Revelation - The Devine Will See

Now I Have Their Wisdom In Me
Feeling So Illuminated
The Blurry Ring - Was This Meant To Be

Reborn With A New Found Optimism
Filled With Violent Energy
Drowning In My Own Mortality

Revelation - It Will Come To Be
Revelation - The Devine Will See

[Guitar Solo Chris Caffery]

Revelation - It Will Come To Me
Revelation - The Devine Will See
Revelation - It Has Come To Me
Revelation - The Devine Will See
