Vers 1:

In deepest night, there is no chance to escape
Don't ever dare
The power of the earth
First out of sight
it'll get you down
To where our species does belong

Chorus:

So watch the Sky falling,
down to the Earth,
There's nowhere for you to hide

Choir: Vanished away

The sea swallows lives and daylight, bringing fear to
the night
And all you can do is stand and stare

Choir: The power of the earth

Vers 2:

Our ignorance and our jealousy
Makes us believe
We rule our fate
We try to rewrite
And change the Genesis
But soon our weakness will be for all to see

Chorus:

So watch the Sky falling
Falling down to the Earth,
There's nowhere for you to hide

Choir: Vanished away

The sea swallows lifes and daylight, bringing fear to
the night

And all you can do is stand and stare

Choir: The power of the earth
Ohhhhoouohhhhhhhhhhh,
Ohhhhoouohhhhhhhhhhh,

(Solo)

Chorus:

So watch the Sky falling
Falling down to the Earth,
There's nowhere for you to hide

Choir: Vanished away

The sea swallows lives and daylight, bringing fear to
the night
And all you can do is stand and stare
Stand and stare yeahyeahheheeeeeeeeeee
Stand and stare yeahyeahheheeeeeeeeeee
Choir: The power of the earth
