When time has come and darkness falls over the land
My mission starts, I'm heaven sent
Heard them say I'm on my way
That's what I've been told
Feel no fear, the vision's clear
My future has been sold

The world is lying in my hands
When you realize me
Bleeding for vengeance
They all have to see
Set your spirits free

[Chorus:]
Take me higher
Much higher
False desire
In the heat of the night
Take me higher
Much higher
No right to choose
No time to lose
Breaking all the rules

And now you think that no one ever understands
While life is running through my hands
Moments will come when mirrors tell truth
Rotten blood runs through your veins

The world is lying in my hands
When you realize me
Bleeding for vengeance
They all have to see
Set your spirits free

[Chorus:]
Take me higher
Much higher
False desire
In the heat of the night
Take me higher

Much higher
No right to choose
No time to lose
Breaking all the rules

[Solo]
[Chorus]
