I'm nothing special, in fact I'm a bit of a bore
If I tell a joke, you've probably heard it before
But I have a talent, a wonderful thing
Cause everyone listens when I start to sing
I'm so grateful and proud
All I want is to sing it out loud

So I say
Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me

Mother says I was a dancer before I could walk
She says I began to sing long before I could talk
And I've often wondered, how did it all start?
Who found out that nothing can capture a heart
Like a melody can?
Well, whoever it was, I'm a fan

So I say
Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me

I've been so lucky, I am the man with golden hair
I wanna sing it out to everybody
What a life, what a joy, what a chance!

So I say
Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?

Without a song or a dance what are we?
So I say thank you for the music
For giving it to me
