The last thing that old Lucky said  
Was come now Daniel, a closed mouth don't get fed  
The last thing that old lucky did  
Was old lucky looked out for this poor kid

There's so much on your mind as you pass the time  
Everyone's innocent, committed no crimes  
Talking about plans and future scams  
You came in as a boy but left as a man  
You know you never meant to cause harm  
A riot kicks off and they sound the alarm  
They pit race against race in this tragic place  
Race against race, we stand face to face

The last thing that old Lucky said  
Was come now Daniel, a closed mouth don't get fed  
The last thing that old lucky did  
Was old lucky looked out for this poor kid

Get out of your bunk and throw some spades  
Looking back to those better days  
Times of no worries when all was okay  
If you'd just done that you'd of gotten away  
And Wednesday in stores you get what you need  
Line up like animals, it's time to feed  
Take away your freedom, hold on to your pride  
It's all you've got when your hands are tied

The last thing that old Lucky said  
Was come now Daniel, a closed mouth don't get fed  
The last thing that old lucky did  
Was old lucky looked out for this poor kid
