This song is about a girl from ???? beach

Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on
Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on

It's 3 AM and it's time for me to leave
The real you it's all that I see
You tell me "hey, don't come back again"
And I say "Fuck you!" I know this is the end

And I've been down this road before
And this is something that I can't ignore
And one day you're up, the next day you're down
That's the reason I won't come back around

Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on
Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on

My bag is packed as I head out the door
You want me to come back for round more
And your mind is sick, girl you're so twisted
Lookin' back, I sure don't miss it

And we all know it wasn't meant to be
And oh baby girl, you betrayed me
And even though I know that I've donw wrong
Old girl it's time that I moved on

Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on
Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on

Please forgive me
Please forgive me
Please forgive me
Please forgive me

Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on
Please forgive me, I know that I've done wrong
Please forgive me, but it's time that I moved on
