Tonight's the worst that I've felt in a long time.
You made me feel so good that it's all right.
I wanted to tell you, you looked so beautiful,
As the snow danced off your eyes.
I know that you want someone else so it's not right.
I know that it's not me you think of late at night.
But if I had the chance you know I'd tell you everything I
think.

Don't say anything if you don't wanna hear it back from
me.
Don't make promies you know you'll never keep.
I'm sorry that I'm such a mess, I've been let down
again.
Well I need you to help me out,
I think that you should let me win.

Well lately it seems everything I need,
Comes so easily to everyone other than me.
I wanted this so bad and did you even notice it,
500 miles from home and I feel alone.

Don't say anything if you don't wanna hear it back from
me.
Don't make promies you know you'll never keep.
I'm sorry that I'm such a mess, I've been let down
again.
Well I need you to help me out,
I think that you should let me win.

I know that you want someone else so it's not right.
I know that it's not me you think of late at night.
But if I had the chance you know I'd tell you everything I
think.

Don't say anything if you don't wanna hear it back from
me.
Don't make promies you know you'll never keep.
I'm sorry that I'm such a mess, I've been let down
again.
Well I need you to help me out,

I think that you should let me win.
Let me win.
Let me win.
