

Time Spent Driving "Angel And I"

Looking back, on all the times we strained to have,
Vacant eyes, a sometimes smile.
Thinking back, on all the things we almost did,
I hope you had a good time.
Angel, ever divine, you'll never be mine.
About the pictures, that we hardly took,
Hope they come out alright.
Regarding the ring, you always talked about,
I'm sure it'll fit you just fine.
Angel, ever divine, you'll never be mine.
Just one question, you never answered, you never
learned.
Just one question, and your lips, never shaped the
words.
Angel, ever divine, you'll never be mine.
You'll never be mine.
