

Time Spent Driving "Leaving"

Visit "[Leaving](#)" on MotoLyrics.com

Not quite alone, not quite in company.
Not quite with you, though so unwithout you
I try not to say too much, feeling distanced.
I try not to say too much, the distance destroys what I
am.
Just so you know. (just so you know) I just plain stopped
trying.
Just so you know. (just so you know) I made up my mind
and
Not quite myself, not quite anyone
Not quite in love, yet drowning in your love.
Your love drowns out who I am.
Just so you know, (just so you know)
I just plain stopped trying.
Just so you know, (just so you know)
I made up my mind and I'm leaving you.
I don't feel alive, at all. (I don't feel at all)
I don't feel alive at all.
