So lock and load, sweep the nation - just like a
hurricane
sharpshooter making plans and taking names
And we're going as fast we can go
And we're showing as much as we all know

So catch me if you can, Sharpshooter
The sky is limitless, Spread your wings cause we're
taking this over the edge

Spread the word, spread the word
You're a diamond for the record, I'm searching for the
words you'll understand
And we're going as fast we can go
And we're showing as much as we all know

So catch me if you can, Sharpshooter
The sky is limitless, Spread your wings cause we're
taking this over the edge

Truth or dare, this is my whisper at large.

Take me far away.
We will make it to the final destination

So catch me if you can, Sharpshooter
The sky is limitless, Spread your wings cause we're
taking this over the edge
So catch me if you can, Sharpshooter
The sky is limitless, Spread your wings cause we're
taking this over the edge
