Self despair takes hold  
Fake smiles on TV  
Fake souls looking at me  
Our lives turn to nothing  
As we dance in this empty hall

Is this a joke to my soul?  
Or simply a night with no end  
Are all these lies a way to forget  
That we live in a land of miracles?

But still  
When we look into each other's eyes  
When we acknowledge spirit  
And we dare to look around  
There's a fire burning  
There's a heart holding on  
There's a child who still smiles  
There's a place to play without fear  
There is a place where you wait for me

Drowned in this pool of "reality"  
Inhuman  
Where's mercy?  
Where's life?  
When did we lose our hearts?  
When did we forget to wonder at life?  
When did we forget to watch the stars?
